SAFE DRINKING WATER AND SANITARY CONDITION CERTIFICATE

(For CBSE Affiliation / SARAS)

Certificate No.: _____

Date: ____ / ____ / _____

It is certified that an inspection team headed by Dr. Leelaraghavan. G.R (Name and designation of the officer) from CHC, Rampura (Name of Government Department / Office) inspected the school SRI MUDUKESHWARA VIDYAPEETA (R) RAMPURA (PO) (Name and complete address of the school) on 30 / 09 / 2086 (date of inspection).

During the inspection, it was found that the school has safe drinking water facilities for the students and members of staff and is maintaining hygienic and satisfactory sanitary conditions in the school building and campus as per the norms prescribed by the Central / State / U.T. Government.

The drinking water source and sanitary facilities were inspected and found satisfactory. The school premises, toilets, wash areas and other sanitation facilities were found to be maintained in hygienic condition.

This certificate is issued for submission to the Central Board of Secondary Education (CBSE) for the purpose of affiliation / extension / upgradation, as applicable.
